Theatre Ancaster Take a Seat Campaign

We invite all our cast and crew to participate in our Take a Seat Campaign. Special thanks to those who have already donated.

The campaign is our contribution to a general refurbishing of the Theatre Auditorium at Ancaster High School by the Hamilton Wentworth District School Board completed in 2009.

Your donation of \$100.00 pays for the restoring of a seat, and honours someone you care about...a grad, a relative, a mentor, a friend. A metal name plaque on the arm will honour the person you choose. Since Theatre Ancaster is a registered charity, you receive a charitable tax deduction for the total donation amount.

More than 300 seats of the 700 have been refurbished through donations to this point.

**To participate please contact:
